

**China Energy & Environment Summit**

**中国能源环境高峰论坛**

## **The 9th China Energy and Environment Summit (CEES)**

# **Invitation Letter**

Dear Sir/Madam,

CEES, jointly sponsored by National Energy Administration (NEA), its Department of New and Renewable Energy, National Development and Reform Commission (NDRC), its Department of Resource Conservation and Environment Protection, National Center for Climate Change Strategy and International Cooperation, University of International Business and Economics and State Information Center, has been successfully held for 8 consecutive sessions since 2008. In 2009, the State Council approved the Summit as the 2nd Sub-Forum of the Global Think-Tank Summit. And former Premier WEN Jiabao, Vice-Premier LI Keqiang (at that time) of the State Council met with our honourable guests, both abroad and at home, and delivered a keynote speech.

In the past 9 years, the Summit, honored by the presence of more than 1000 great minds, both abroad and at home, that included former President of India, Nobel laureates, leaders from international organizations, the Fortune Global 500 and multinationals, academicians of the Chinese Academy of Sciences and Chinese Academy of Engineering and counsellors from the State Council, has had a succession of good harvests on green development and innovation. It provided suggestions and advices to the authorities of energy, environment and climate change, promoted green development all across the globe and served as the guiding and supervising principle for the green campaigns in various industries and regions, the application of green technologies (low-carbon, energy-saving, environment-protecting and highly-efficient) and spread the ideas of green consumption to the masses through media coverage by more than 100 state-run medias.

In order to enforce decisions and arrangements of green development and ecological civilization construction of the Central Committee of China (CPC), the Summit will invite leaders and experts from National Development and Reform Commission (NDRC), National Energy Administration (NEA), Ministry of Environmental Protection, the Board of Supervisors of Key Large State-Owned Enterprises of the State Council, foreign ambassadors in China to deliver keynote speeches or hold group discussions, thus to promote the most advanced green technologies in the world and Sino-US, Sino-Austria, and international cooperation. Topics mainly cover the following areas: Green development for Ash Haze Dissipation--Analysis on current situation of Green Development; Pollution Governance and Green Technology; Sewage and Regional Water Improvement; Natural Gas; Photovoltaic Industry; Internet of Energy; International Cooperation for Energy and Environment. Over 100 state-run medias including People's Daily, Xinhua News Agency and other medias abroad will report the event. The 9th CEES will be jointly hosted by China Energy and Environment Research Center, China National

Renewable Energy Center (CNREC) and Xinhua Net and organized by Consulting Center of CEES in Beijing from December 11th-12th, 2016.

All government officials, decision-makers, global investors, senior advisors and technical/financial experts concerned with the fore-said topics and activities are warmly welcome to participate in the Summit and to work together, and specialists concerned are welcome to make contributions to the development of CEES, thus to promote green development and eliminate smog in China and around the world with joint efforts. Please see Enclosure 1 for the invitation letter, and the Enclosure 2 for the application form.

***Prof. of University of International Business and Economics (UIBE)***

# Agenda

## **The 9th (2016) China Energy & Environment Summit (CEES) Agenda**

**Theme:** Green Development for Ash Haze Dissipation---Trend Analysis on Green Development, Green Technology and Environmental Governance, Natural Gas, Sewage and Regional Water Improvement, Photovoltaic Industry, Natural Gas, Renewable Energy, Energy Internet, and International Cooperation.

### **I Time and Venue**

**Time:** 10<sup>th</sup> ~ 12<sup>th</sup> December (Arrival and Registration on 10<sup>th</sup> Dec)

**Venue:** International Conference Hall, Chengxin Building, University of International Business and Economics, Beijing

**Residence:** Huiqiao Hotel, Beijing (**No. 19, Huixin Dongjie Street, Chaoyang District, Beijing**)

### **II Organisations of CEES 2016**

#### **Sponsors:**

China Energy and Environment Research Center

China National Renewable Energy Center

Xinhua News Agency

#### **Supporting Organisations:**

Major organizations in the panel of “Bai-Qian-Wan-Wan” Activity Plan of China Energy and Environment, including Department of Resource Conservation and Environment Protection, of National Development and Reform Commission(NDRC), Department of New & Renewable Energy of National Energy Administration(NEA), University of International Business and Economics (UIBE) and its Institute of International Economics, the State Information Center, National Center for Climate Change Strategy and International Cooperation(NCSC) and Economic Daily.

#### **Other Supporting Organisations:**

China New Energy International Alliance, Shanghai Jingyu Environmental Engineering CO. Ltd. and International Renewable Energy Agency

**Media:**

More than 60 mainstream medias, including People’s Daily, Economic Daily, Guangming Daily, China Energy News, China Environmental News, Xinhua Net, People.com, Guangming net and China Central Television (CCTV).

**Organizer:**

Consulting(Beijing) Center of CEES

**III.Participants**

1. Representatives in charge of energy, resources, environment, ecological civilization, science and technology, high-tech industry development zones, and investment and financing institutions in the central and local institutions;
2. Representatives from sectors of natural gas, application of distributed energy system for natural gas, and the research on the natural gas technology and Internet plus natural gas;
3. Persons in charge of enterprises and public institutions that focus on sewage treatment technology, green and low-carbon economy, energy-saving, environment-friendly and efficient technology, etc.
4. Representatives from the sectors of photovoltaic industry, clean energy, energy Internet and Internet plus green technology;
5. Researchers and scientists in the fields of energy, resources, environment and climate change in universities, colleges and research institutes;
6. Representatives from foreign institutions, international organizations, multinational companies related to energy, resources, environmental protection and green technology.

**IV.Draft Agenda**

Saturday, December 10, 2016 <b>Registration</b>		
Time	Agenda	Venue
10:00—21:00	Registration	<b>Room 1038, Yifu Scientific Research Building, UIBE</b>
Sunday, December 11, 2016 <b>Opening Ceremony &amp; Main Forum</b>		
Time	Agenda	Venue
09:00—10:00	Opening address on the opening Ceremony	<b>International Conference Hall, ChengxinBuilding, UIBE</b>

10:10—12:00	Keynote speech on the opening ceremony	<b>International Conference Hall, Chengxin Building ,UIBE</b>
13:30—17:00	Keynote speech on the main forum	<b>International Conference Hall, Chengxin Building ,UIBE</b>
<b>Sub-Forum</b>		
Time	Conference title & Joint organizations	Venue
<b>Monday, December 12, 2016</b>		
09:00-12:00	<b>Sub-forum for natural gas</b> ---China Natural Gas Industry Association, Beijing Information Consultation for China Gas Industry Association, Co. Ltd., etc.	<b>International Conference Hall, Chengxin Building, UIBE</b>
13:30-17:00	<b>Sub-forum for green technology and environmental governance</b> ---Shanghai Jingyu Environmental Engineering CO. Ltd, Consulting(Beijing) Center of CEES;	<b>Conference Room 1004, Administration Building, UIBE</b>
<b>December 16, 2016</b>		
<b>Sub-forum for green technology</b> (will be confirmed soon)		
<b>October 24, 2016 (which has already been held)</b>		
09:00-19:00	Sub-forum for green technology and environmental governance ---CECO Environmental (Shanghai), Beijing Yishui Environment Investment CO. Ltd and etc.	<b>Germany Center, 11<sup>th</sup> floor, Diplomatic Building, Beijing</b>
<b>First quarter of 2017</b>		
<b>Sub-Forum on Photovoltaic Industry</b> PGO (Photovoltaic Green-Ecosystem Organization)		
<b>Sub-Forum on Energy Internet</b> Supported by State Grid Energy Internet Companies, etc.		

<b>The 9th China Energy&amp;Environment Summit</b>	
<b>Time:</b> December 10-12	
<b>Venue:</b> International Conference Hall, Chengxin Building, University of International Business and Economics	
December 10 10:00-21:00	<b>Registration</b> <b>Venue: Room 1038 in Yifu Scientific Research Building, University of International Business and Economics</b>

## Opening Ceremony

**Time:** 9:00a.m-12:00a.m, December 11

**Venue:** International Conference Hall, Chengxin Building,  
University of International Business and Economics

<p><b>9:00-10:00</b></p> <p><b>Moderator:</b> <b>Prof. Zhao</b> Zhongxiu, the Vice Director of Editorial Board for CEES Blue Book, the Director of International Low-carbon Energy Research Institute, and the Vice President of UIBE.</p>	<p style="text-align: center; color: blue;"><b>Opening Speech●Overall Analysis on China's Green Development Trend</b></p> <p><b>Opening remark</b> of moderator, introduction to honorable guests by Prof. Lin Zhiqin, the Secretary-General of CEES (9:00-9:12) <b>Address:</b> Prof. Jiang Qingzhe, Secretary-General of the Party Committee of UIBE, the Vice-Standing President of China Petroleum Enterprises Association. (9:12-9:30) <b>Address &amp; speech:</b> Overall analysis on the green development and the planning &amp; construction for ecological civilization in China (9:30-9:50) Delivered by: He Bingguang, Director of Environment and Resources Division of National Development and Reform Commission (NDRC). <b>Address &amp; speech:</b> Overall analysis on the energy technology and energy internet in China. (9:50-10:10) Delivered by: Wang Siqiang, Director-General of Department of Energy Conservation and Technological Equipment, National Energy Administration (NEA); <b>Address :</b> Leaders from People's Daily and Xinhua Net. (10:10-10:20)</p>
<p><b>10:15-12:00</b></p> <p><b>Moderator:</b> <b>Prof. Zhao</b> Zhongxiu, the Vice Director of Editorial Board for CEES Blue Book, the Director of International Low-carbon Energy Research Institute, and</p>	<p style="text-align: center; color: blue;"><b>Keynote Speeches: Situation analysis of green development in China</b></p> <p><b>1. Difficulties and Prospect of the Clean Gas Energy and Sustainable Energy Resources in China. (10:30-10:50)</b> <b>Ji Xiaonan, Chairman of the Supervisory Board of the State Council for Key Large State-Owned Enterprises;</b></p> <p><b>2. Outlook for Global Sustainable Energy Resources and Sino-Austrian cooperation. (10:50-11:10)</b> <b>Irene Giner-Reichl, Chairman of the Global Forum on Sustainable Energy, Vice-chairman of the Global Network for Renewable Energy in 21<sup>st</sup> Century, the Austrian ambassador plenipotentiary in People's Republic of China and Mongolia.</b></p> <p><b>3. The concept, key issue and strategic vision of eliminating ash haze under green development (11:10-11:30)</b> <b>Lin Zhiqin, Director of China Energy and Environment Research Center, Executive</b></p>

the Vice President of UIBE.	Vice-President & SG of China Energy and Environment Summit, Professor of University of International Business and Economics.
	<p style="text-align: center;"><b>The layout of green technology, environmental governance and local ecological civilization</b></p> <p><b>4. The Internationally Pioneering Industrial Water Treatment Technology by Shanghai Jingyu Environmental Engineering CO. Ltd (11:30-11:45);</b> Pan Wengang, chief engineer of Shanghai Jingyu Environmental Engineering CO. Ltd;</p> <p><b>5. A Discussion among other partners, keynote speakers and relevant enterprises and organizations. (11:45-12:00)</b></p>
<b>Break</b>	<b>10:20-10:30</b>
<b>12:00-13:20</b>	<b>Lunch</b> Venue: Xinyuan VIP Hall and Xinyuan Private Chambers

<p style="color: red; font-weight: bold; font-size: 1.2em;">Blueprint of Energy in a New Era: Green Application of Quantum, Environmental governance and Photovoltaic Industry</p> <p>Time: 13:30p.m-17:00p.m, December 11<sup>th</sup> Venue: International Conference Hall, Chengxin Building, University of International Business and Economics</p>	
<p>13:30-17:00 <b>Moderator:</b> <b>Prof. Sang</b> Baichuan, the Vice chairman of Organizing Committee of CEES, Dean of the Institute for International Economy of UIBE.</p>	<p style="text-align: center;"><b>1. Analysis of the Difficulties and Prospect of China's Photovoltaic Industry and Other Clean Energy (13:30-14:00)</b> Wang Zhongying, Deputy Director of Energy Research Institute of National Development and Reform Commission</p> <p style="text-align: center;"><b>2. Overall Analysis on Air Pollution and Its Control (14:00-14:30)</b> Liu Fang, Deputy Secretary-General of China Energy and Environment Summit, Vice Chairman of Beijing Yishui Environment Investment Co. Ltd.</p> <p style="text-align: center;"><b>3. The Application of Quantum in Air, Water and Soil Pollution Control (14:30-15:00)</b> Lu Jichuan, Deputy Dean of the Research Institute of Chinese Academy of Management Science</p> <p style="text-align: center;"><b>4. Analysis on Internet+ Energy/Green Technology (15:00-15:30)</b> Zeng Ming, Professor of North China Electric Power University, Head of Center for the Research and Counseling Energy and Electricity Economy</p> <p style="text-align: center;"><b>5. Sino-Euro and Sino-Austrian cooperation in new energy technology and industry (15:30-16:00)</b> Zhang Yang, Executive secretary of the Foundation For Globalization Cooperation, the vice</p>

	<p>chairman of the China's Promotion Council for the Development of Coal-industry Cities</p> <p><b>6. Discussion among keynote speakers of green technology sub-forums that need to be settled (16:00-16:30)</b></p> <p><b>7. Group Photo Taking, and Discussion</b></p> <p>Small room, International Conference Hall, Chengxin Building, University of International Business and Economics. (16:30-17:00)</p>
<p style="text-align: center;"><b>The Blueprint for New Energy Era-Natural Gas</b></p> <p style="text-align: center;"><b>Co-hosting organization:</b> China Natural Gas Industry Association ect.</p> <p style="text-align: center;"><b>Time:</b> 9:00 a.m-12:00 a.m, December 12<sup>th</sup>.</p> <p style="text-align: center;"><b>Venue: :</b> International Conference Hall, Chengxin Building, University of International Business and Economics</p>	
<p>09:00-12:00</p> <p><b>Moderator:</b> Guo Jiaofeng Deputy Director &amp; Researcher, Resource and Environmental Policy Research Institution of DRC (Development Research Center of the State Council)</p>	<p><b>1. The reform and development of natural gas industry in China during the 13th Five Year Plan (9:00-9:45)</b></p> <p>Gao Shixian, deputy director of Energy Research Institute of NDRC</p> <p><b>2. The application and practice of natural gas in public transportation (9:45-10:30)</b></p> <p>Yao Mingde, the Honorary chairman of China Road Transport Association, the head of the Panel for the Promotion and Application of transporting equipment and safe &amp; energy-saving vehicles.</p> <p><b>3. The development mode of natural gas industry with a Chinese characteristic (10:30-11:15)</b></p> <p>Guo Jiaofeng, Deputy Director &amp; Researcher, Resource and Environmental Policy Research Institution of DRC (Development Research Center of the State Council)</p> <p><b>4. The problems and market research of natural gas reserve in China (11:15-12:00)</b></p> <p>Xu Bo, Senior Economist of Natural Gas Market Research Department of CNPC Economics &amp; Technology Research Institute</p>
<p>12:00-13:20</p>	<p><b>Lunch Venue:</b> Xinyuan VIP Hall and Xinyuan Private Chambers</p>
<p style="text-align: center;"><b>Sub-forum on Green Technology and Environmental Governance</b></p> <p style="text-align: center;"><b>Supporting organization:</b> Shanghai Jingyu Environmental Engineering CO. Ltd</p> <p style="text-align: center;"><b>Time:</b> 13:30p.m-17:00p.m, December 12<sup>th</sup></p> <p style="text-align: center;"><b>Venue:</b> Conference Room 1104, Administration Building, UIBE</p>	
<p>13:30-17:30</p>	<p><b>1.Opening speech: Innovative integration of government, industry, academia and media to promote sewage treatment and water pollution control, to eliminate ash haze---the history, development and outlook of CEES. (13:30-13:45)</b></p>

<p><b>Moderator :</b> Liu Fang, Deputy Secretary-General of China Energy and Environment Summit</p>	<p>Lin Zhiqin, Executive Vice-President &amp; SG of China Energy and Environment Summit, Director of China Energy and Environment Research Center</p> <p><b>2. Introduction of Shanghai Jingyu Environmental Engineering CO. Ltd. (13:45-14:00)</b></p> <p>Lu Kui, Chairman of Shanghai Jingyu Environmental Engineering CO. Ltd.</p> <p><b>3. The Internationally Pioneering Industrial Water Treatment Technology by Shanghai Jingyu Environmental Engineering CO. Ltd. (14:00-14:40)</b></p> <p>Pan Wengang, Chief Engineer of Shanghai Jingyu Environmental Engineering CO. Ltd.</p> <p><b>4. Development of enterprises and environmental protection (14:40-15:10)</b></p> <p>Zhu Shengfeng, Director of the Environmental Protection Department, China National Offshore Oil Corp.(CNOOC)</p> <p><b>5. The disposal technology for urban garbage percolate of Shanghai Jingyu Environmental Engineering CO. Ltd. (15:10-15:50)</b></p> <p>Shang Rong, Vice-General Manager of Shanghai Jingyu Environmental Engineering CO. Ltd.</p> <p><b>6. Application of sewage treatment technology (15:50-16:10)</b></p> <p>Zhang Daihua, technical director of Inner Mongolia Yitai Group Company Limited.</p> <p><b>7. Influence of water treatment on city planning (16:10-16:40)</b></p> <p>Vice chairman of China Urban Construction Design &amp; Research Institute Co. Ltd.</p> <p><b>8. Panel discussion (16:40-17:00)</b></p> <p>Moderator, keynote speakers, relevant enterprises and organizations</p>
